Dear Ms. Handy,

We have been in communication with Southeast Development Partners, LLC representative Keith Hyatt regarding the above referenced Comprehensive Plan Amendment. Our property is contiguous with the subject property.

We met with Mr. Hyatt prior to submittal of the Comprehensive Plan Amendment. We have discussed our concerns with Mr. Hyatt prior to submittal and he explained the project and has worked with us to address our concerns. If we do have any further comments, we are confident that this can be addressed to the satisfaction of all through direct dialogue with Mr. Hyatt. We support the proposed development and Comprehensive Plan Amendment.

Regards,

William and Wendy Brothers
